

TRIBE GUIDE 2022

Guidelines for GodsOwnDiva Club Tribes

Definition & Mission Statement

A Tribe is a **support system** made up of a group of **GodsOwnDiva members** identified on the basis of **location** bound by the love of Christ in a virtual or physical space for the purpose of **caring, sharing & growing together** in an atmosphere of friendship & brotherly love, **allowing the full expression of God** to the intent that **life's lessons be passed** to one another **igniting a fire** to burn hopefully for generations to come.

A Tribe is a support system made up of a group of GodsOwnDiva members identified on the basis of location bound by the love of Christ

Core points to NOTE:

A Support System – Support is Strength. Life was not meant to be lived alone. We need people in this journey of life. Remember, the Bible says a threefold cord is not easily broken.

Members: A tribe is a members only zone. Non members are welcome once they join the club via sign up form at www.godsowndiva.com/contact

Location – The basis of identification for tribes in the club is that we share a common location. That’s what distinguishes one tribe from the next. Nothing more..

Tribes are:

- Care Centres
- A place of caring, sharing & growing together
- An atmosphere of friendship, intimacy & brotherly love
- A place that allows for the full expression of God
- An avenue to pass on life lessons
- An opportunity to Ignite generational fires

Support is Strength.
Life was not meant to be lived alone. We need people in this journey of life.
Remember, the Bible says a threefold cord is not easily broken.

“We are a network of praying women passionate about mentoring the next generation of leaders”

Where We Meet:

All tribes are location based and the meeting places are both virtual and physical. Physical meetings should be in an agreed designated place. For such physical meetings, Tribe Angels MUST approve Place of Meetings before it is communicated to members. It can only be done with the full consent of the Tribe Angel.

Meeting Frequency & Format

Virtual Meetings hold once a month on the last Friday of the month tagged “When Tribes Meet”. The meetings are fun, relaxing discussion meetings.: Physical meetings happen 4 times a year including DDC and LGB.

Monthly Meeting Discussion Topics:

Discussion Topics are as guided and sent out by Diva TiO. This May Include Video Clips to be viewed at meetings

Tenure Of Leaders

Tribe Leaders and Deputies are appointed for a year and may be renewed or changed at the end of the year. Rarely, Tribe leaders may be removed before the end of their tenure where completely unavoidable.

Accountability Partners

Every Tribe member must have an accountability partner who is member of the tribe. Partners are to be assigned by the Tribe Leaders (TL & DTL) & Excocs with the nod/approval of the Tribe Angel (TA).

Giving/Seeds/Offerings:

Financial Support to the club is welcome and Gifts or Seeds may be sown at meetings but should be done via electronic channels directly to the Club. You can also give via the website at www.godsowndiva.com/donate. Electronic gifts should tag the Tribe Name on the seed. **Offerings are not to be raised without the Approval of the Tribe Angel who must have discussed it with the Club Secretary/Treasurer.**

Attendance:

An attendance record is to be kept and sent as part of the Tribe Report after the Tribe Meetings. The record should be shared in the Tribe Leaders room. This helps identifies consistent and committed members and it should be referred to when choosing new leaders.

Growth Target

Each member is encouraged bring at least one new member in a Tribe year. It is the Tribe Leader's duty to encourage this.

Reporting Lines

Deputies report always through their Tribe Leaders. Tribe Leaders report through their Tribe Angels who in turn report to the Vision Coordinator.

Personal Programs and Merchandizing

The Tribe Meetings must NOT be merchandized. Tribe Leaders must be careful to ensure it is not used as a platform to 'trade' or run personal businesses or agendas. **It's a G.O.D platform and we must keep it strictly G.O.D.** People can discuss what they do and their business during the business segments BUT all TL's must ensure the support system of the club is not turned to a personal business or personal agenda-advertising platform.

Whenever personal visions are pushed, it brings about a "two vision" situation from which the word di-vision is formed. Division is simply di (two) visions and this results always in division. Let's respect and honor this altar and keep division out of our midst. No rank breaking here in Jesus Name This is very important and it will be a ground for **dismissal** if mentioned in our midst. We must not merchandize the oil of God. We must keep personal agendas separate.
